Get SMART Maryland

This Get SMART workshop provides participants with core knowledge of the maritime and transportation industry as well as SMART materials to help develop or expand academic courses and pathways that enable students to enter the industry. Participants will tour industry workplace sites that are off-limits to the public, such as shipyards and ports, as well as networking with some of our nation's top maritime and transportation employers.

Additionally, participants will contribute to a focus group about current best practices and successful replicable pathways in maritime high school curriculum. The Get SMART workshop is FREE and open to the public

Date: Tuesday, September 25 - Wednesday, September 26, 2018 from 9 a.m. to 5 p.m.

Get SMART

A Maritime & Transportation Workshop

September 25-26, 2018
Anne Arundel Community College
Baltimore, MD

This Get SMART workshop provides participants with core knowledge of the maritime and transportation industry as well as SMART materials to help develop or expand academic courses and pathways that enable students to enter the industry. Participants will tour industry workplace sites that are off-limits to the public, such as shipyards and ports, as well as networking with some of our nation's top maritime and transportation employers. Additionally, participants will contribute to a focus group about current best practices and successful replicable pathways in maritime high school curriculum.

Who: Secondary STEM and CTE educators, college faculty, guidance counselors, career coaches, and administrators

Benefits: Qualify for 1.5 CEUs and a \$250 stipend!

Reminders

Don't forget to follow us on social media! You can find the links to our social media pages by clicking on the widgets below as well as on our website. As always, you can also search for us on each platform!

Our offices will be closed on Monday, August 3rd in observance of Labor Day! Please enjoy your time off, because you deserve it!

Spotlight: 2018 SMART Maritime Summer Camp

The 2018 SMART Summer Maritime Camp was a success! We had a wonderful group of campers for the week. The SMART campers toured many local maritime facilities and sailed on The American Rover. Additionally, the campers competed in a cardboard boat race to wrap the week up. The 2019 SMART Summer Maritime Camp is scheduled for June 24-27, 2019.

The SMART Center would like to thank all of our event sponsors and partners for helping to make the SMART Summer Maritime Camp a success! They include; Tidewater Community College, Colonna's Shipbuilding, The Port of Virginia, MARAD, McAllister Towing, The American Rover, Seatack Recreation Center, and camp volunteers.

Come Aboard!

To learn how your school, company or organization can partner with the SMART Center in expanding career awareness and pathways for the maritime and transportation industry please contact:
